Why Membership Matters

Becoming a member of the Center demonstrates your commitment to nonprofit leadership and dedication to improving the quality of life in Marin. The Center offers a full array of services, from educational workshops and technical assistance to **volunteer matching** and **board development**. Our **training programs** build stronger leaders and skilled staff members, enabling organizations to continue providing the essential services and programs that sustain the quality of life in our county.

The Center provides management resources, strategies, and tools to build capacity and strengthen organizations. Our events including the **Marin Human Race**, **Marin Nonprofit Conference**, **Funding Forum** and **Heart of Marin Awards** provide opportunities for fundraising, networking and ongoing education.

Businesses are increasingly discovering the importance of **community involvement** and positive image to attract employees and customers. Membership in the Center is a wonderful opportunity to get involved and raise your visibility in the community as a socially responsible business. Our volunteer programs can help your employees connect with **meaningful volunteer service** including becoming Board Members or working on specific projects. With the support of businesses like yours we hope to continue our tradition of helping local nonprofits and engaging the Marin community in **improving the quality of life for everyone**.
